

# Ataun refuse collection service

- Household waste is collected separately **using containers**, except for non-recyclable waste, which is collected **in pails**.
- Waste **MUST BE** separated and put into the proper container. Waste **CANNOT** be left on the ground or put into the container with other types of waste!

Waste will be **SEPARATED and PUT INTO** the containers as follows:

**Paper and cardboard**

**Glass**

**Plastic containers, metal and cartons**

**Clothes**

**Used oil**

**Batteries**

**Coffee capsules**

Recyclable refuse may be left out **every day of the week, at any time.**

## Organic material

**Opened with a KEY.**

*Get it at the Town Hall.*

## Use compost bags only!

You will also be given a pail and compost bags. When the roll of bags is finished, you can get another free of charge at the dispenser machine (more information on other side).

## Other non-recyclable "errefusa"

This must be left out in the grey pail **ON MONDAYS from 20:00 to 06:00 h** on the peg nearest your house. Remove the empty pail the next day.

*If the pail is gone or broken, ask the Town Hall for another one.*

You can also put organic waste in the **community composters**. You have to register with Sasieta to do this.

- Household items** (furniture, mattresses, electrical appliances, etc.) must be left out on the **1st and 3rd TUESDAYS of the month at NIGHT**. Leave them **next to the containers**.

# The best waste is waste that is never generate!

- **BUILDING SITE WASTE**, rubble, pallets, scrap metal, tyres, etc. must **always** be taken to the waste facility or **GARBIGUNE**. These are located in the Salbatore district in **Beasain** and on the way up to Oiangu in **Ordizia**. More information at [www.sasieta.eus](http://www.sasieta.eus)
