

- Waste is collected using **bins located in the street.**
- You **MUST SEPA RATE** the waste and put it in the right bin. It is **FORBIDDEN** to leave waste on the ground or to mix it up and put it in the bin !

Waste must be put **SEPARATELY INSIDE** the bins:

Paper & cardboard

Glass

Metal and plastic containers & cartons

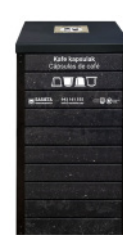

Clothes

Used cooking oil

Batteries

Coffee capsules

Organic matter

It opens WITH THE CARD

Ask for this at the Citizens Information Service. They will also give you a bin and some compostable bags

Only use compostable bags!

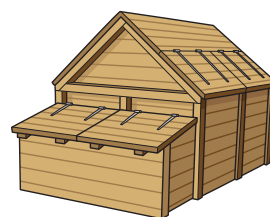

When your roll of bags runs out you will be able to get another one free at the vending machine (see further information on the back).

"Errefusa" non-recyclable remains

It opens WITH THE CARD

Ask for this at the Citizens Information Service.

You can also put organic waste in the **community composters**. You have to register with Sasieta to do this.

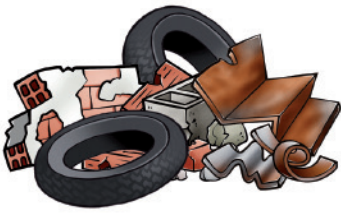

Waste can be taken out **seven days a week, at any time.**

- Household items** (furniture, electrical appliances...), must be brought out on **THURSDAY at NIGHT**. Leave them **next to the bins**.

The best waste is waste that is not generated!

- **WASTE FROM BUILDING SITES**, rubble, pallets, scrap metal, tyres, etc. must **ALWAYS** be taken to a “**GARBIGUNE**” waste facility. The nearest one is in the **Deskarga** road in **Urretxu**. More information at **www.sasieta.eus**

How to get more COMPOSTABLE BAGS:

The bag dispensers are at the entrance to the **social centre** in Latxartegi Street and in the e-office of the **Laubide Citizens Information Service**. The same **card** that you use to open the bins will provide you with a roll of bags every 10 weeks **FREE OF CHARGE**.

- **MINIGARBIGUNE for small waste:** electrical and electronic devices, computer and telecommunications equipment, metals and plastics other than packaging, ink and toner cartridges, X-rays, light bulbs and fluorescent lamps. **Whatever doesn't fit, take it to the garbage dump. Don't leave any waste on the floor!**

- If you live in a **RURAL AREA**, you must put your waste in a **recycling area**. In the area you will find all the bins. There are four areas in Legazpi: **Telleriarte, Brinkola** and **Mirandaola**.
